Rahman Ajayi is a fellow of the Chartered Institute of Bankers of Nigeria (CIBN), an associate member of Institute of Chartered Accountants of Nigeria (ICAN), Chartered Institute of Taxation of Nigeria, (CITN), Risk Management Association of Nigeria (RIMAN) and Chartered Microfinance Banker (MCIB)

### **CONTRIBUTION TO THE INSTITUTE**

- Participated actively in the writing of the first study packs for the Chartered Institute of Bankers of Nigeria (CIBN)
- Contributed to increased revenue generation of the Chartered Institute of Bankers of Nigeria (CIBN) by registering over 200 students for institute exams in every diet
- Played a major role in revamping Edo State Branch of the institute majorly by putting in place structures for the training of bank professionals from that part of the country.
- Played a major role in ensuring that Ogun branch of the institute have a lecture centre
- Constantly in touch and in support of capacity building of the institute across various levels in the development of the institute.
- I and my team of seasoned trainers have produced over 500 chartered bankers in the country
- Currently provide direct or indirect employment for over a dozen members of the institute and many other Nigerians.
- Assisted in marketing of the institute and many of her programmes to potential students across various strata of the Nigerian economy and geography.
- Promoted and projected the ACIB certificate by regular placement of some of the holders in banks through his connection with most of the banks.

### **OTHER CONTRIBUTIONS**

- Researched, taught, examined and I have been consulted widely in the field of finance and accounting both locally and internationally. I have contributed immensely to financial and business knowledge.
- Written several books among which are: The Term accounting Vol 1, International finance study pack, International trade and finance: Theories & Concept, Bank lending and Credit Administration: Theories & Concept, Principle and Practice of Risk Management: Theories & Concept.
